Mr. Paul Christy, President
Target Marketing Solutions
325 S. Michigan, #2117
Howell, MI 48844

Dear Mr. Christy:

Target marketing is a truly serviced based organization and my company has benefited greatly from not only their service but from their expertise in online marketing. They have developed a powerful web site for my firm at a very reasonable price and now I am competing with much larger firms. Clearly, online marketing can be a great tool for almost any company or organization if it is taken in the proper direction. Target marketing has efficiently targeted our market and expanded our business.

Thanks for your significant efforts.

Sincerely,

David W. Zimmerman
